HR Certification Institute Publishes a Comprehensive Guide to the HR Body of Knowledge

The HR Certification Institute (HRCI) has published, “A Guide to the Human Resource Body of Knowledge.” This publication puts together a comprehensive body of knowledge about the HR profession. The publication will serve HR Professionals in helping them to assess their knowledge and understanding of human resource management practices.

For more information, please see Julie Rosenthal’s excellent article posted on prweb.com. [HR Certification Institute Publishes a Guide to the HR Body Knowledge.](#)

UC Advantage offers training seminars at your location to address important HR topics. Please contact us for more information.
