

Answering Your Questions About COVID-19 in the Workplace: A Town Hall for Employers

On Thursday, April 16th from 1:30 pm to 2:30 pm (PDT), BXA – Benefits Exchange Alliance, will present a Town Hall Webinar for Employers to [answer your questions](#) on the latest employment law issues rising from the COVID-19 pandemic including layoffs, furloughs, pay cuts, telework, and reduced work schedules, as well as emergency paid sick leave, emergency family and medical leave, and new unemployment benefits under the new Families First Coronavirus Response Act.

We designed this Webinar to answer your questions about the issues facing your business. We have all been overwhelmed with material to read on the medical, psychological, and legal impact of the pandemic, and we do not want to add more. Instead, we want to offer you the opportunity to get your questions answered by a panel of experts, with clear and practical advice on how to keep your company compliant. Our experts will start with a brief overview, and then answer questions that each of you may submit when you register for the Webinar. Time permitting, our experts will then take impromptu questions from attendees.

Here are the experts on our panel - Click each company logo for more information:

Jason Hynek is the founder and president of UC Advantage, Inc. which provides expert advice on unemployment insurance administration for companies such as United Airlines, Red Roof Inns, Applebee's, and Pepperdine University.

Bruce May is an employment attorney with Stuart Kane LLP with more than 40 years of experience in employment consulting and litigation.

Penny LaClair is a principal of Essential HR with more than 20 years of human resource management experience in company headquarters, independent divisions, and multi-state operations.

Rob Roof, President of BXA (Benefits Exchange Alliance).

If you have one or two specific questions that you would like to ask, please submit them in your reply to COVID19@bxall.com. We will do our utmost to have our experts answer every question while avoiding repetition. The deadline to submit questions prior to the Webinar is [Tuesday, April 14th at 12:00 noon, \(PDT\)](#).
